

KÄHRS LINNEA FLOORING

GENERAL CARE AND MAINTENANCE

- Regularly vacuum or dust floor
- Occasionally wipe with a damp cloth
- Immediately blot up spillage

REMOVAL OF MARKS

- Use warm water containing hand washing liquid to remove simple stains. (Do not pour water directly onto the floor).
- Use white spirit or washing naphtha for more obstinate stains
- Do not use detergent, vinegar, ammoniated cleansers
- Do not use steel wool or abrasive pads to clean marks
- Do not use lacquer thinner or acetone to remove spots

OTHER TIPS

- Use good quality felt protectors on furniture legs
- Place a door mat at the entrance of your home to help protect floor from abrasive dust and grit
- Place area rugs in high or concentrated traffic areas
- Move appliances or furniture sliding slowly across the floor a piece of carpet (face down) or on masonite with the smooth side down.
- Avoid wearing spiked heels, as these can leave indentations or scratches not covered by warranty

TO REVIVE APPEARANCE

- Do not wax the floors, as it has a non-wax finish
- To improve shine, clean with a good quality non-abrasive wood floor cleaner:
 1. Kahrs Wood Cleaner
